

# Kings Bay 2021!

**The Kings Bay reunion is officially on!** We have just recently received word from the Kings Bay Sub Base WW II event Coordinator that the event will be held **November 4th through the 7th**. Your Association officers are pushing planning forward at a rapid rate. In this newsletter is all that we know and what is officially planned.

**Be forewarned.** The reunion is being held in Kings Bay (St Marys, GA) in November for one reason only. The Sub Base annual WW II honors event. If you do not plan to participate in the Sub Base festivities, you best plan to spend a whole lot of time in the Lee hotel "Hospitality Room". The rest of your shipmates will be somewhere on the Sub Base doing cool things.

The actual reunion POD will be extremely limited in order not to interfere with the WW II event activities. The main reunion events will be reunion registration and the Saturday morning "Business Meeting." That is pretty much it. There will be a well stocked Hospitality Room at the reunion hotel for shipmate visiting and central crew communications and notifications during the reunion and WW II event.

You should have already received a separate email containing the WW II event registration point of contact with request instructions.

**If not, you really need to check your email "Spam filter" and ensure the official R E Lee Association emails are not going in the GDU can.** Those instructions are repeated later in this newsletter for those who still have not got the word. A little late, but...
